

# **Attention All SEIU Nevada, Local 1107 Members**

## **Special Member Meetings Scheduled**

Union is a member led organization. Your Local Executive Board agrees strongly with this philosophy, and has shown that by its overwhelming vote (27-2) for putting forth the following items for member approval:

- (1) Implement a “Presidential Model”, which consolidates the duties of the Executive Director and President. Since the President is elected by the members, and the Executive Director has always been an appointed position, this change enables the members to elect their leader.
- (2) Create a bi-annual Constitutional Convention where members come together to prioritize the goals and vision of the Local.
- (3) Adjust the Bylaws to prevent employers from interfering with members’ payment of dues. These three items will be presented at a series of meetings throughout the state where information will be presented and questions will be answered. (see below for dates and times) **Your participation is important!** In accordance with Article 26, Section 2 of the current Bylaws these measures require the approval of two-thirds of the voting members and quorum of 5% of the membership at large in order to be adopted.

**We strongly urge your participation. Members can vote at any location during their off time (break, lunch or day off).**
